**REACH Compliance – Declaration**

We hereby confirm that Nova Werke AG and Nova Werke Deutschland GmbH act as affiliated user (producer of products) in accordance with regulation 1907/2006 (REACH-VO) dated December 18, 2006.

Nova Werke obtains all raw materials and auxiliary materials and/or semi-finished products from suppliers who have already registered or pre-registered all substances, including those contained in semi-finished products, by December 1, 2008.

The products which Nova Werke supplies to you are not subject to registration.

Nova Werke confirms that corresponding safety data sheets are available or will be provided by our suppliers until the end of registration obligation.
